

OASIS NOTICE

Public Service Company of Colorado (PSCO) Has Moved To wesTTrans Oasis Site

TIME: October 10, 2005 2:00 p.m. MDT

Action: Move of Public Service Company of Colorado (PSCO) OASIS from RMAO OASIS Node to the wesTTrans OASIS Node.

On October 10th, 2005 at 3:00 PM MD the Public Service Company of Colorado (PSCO) OASIS service commenced service on the OATI **wesTTrans** OASIS node. The PSCO OASIS service on the RMAO node was terminated at 2:00 PM MD.

All information on transmission requests and current reservation were migrated to the OATI node prior to the final transition.

Transmission customers must register their company and request user accounts on the OATI **wesTTrans** OASIS. In order to register as an OASIS user, registration must first be secured with the OATI webCARES[™] system. Instructions for the webCARES[™] registration are in the document posted on the OATI OASIS home page listed above.

The registration information and required registration forms for the **wesTTrans** OASIS node are accessible via the Registration link at the **wesTTrans** home page <http://www.westtrans.net/> .

The security officer of their company must register users in OATI webOASIS[™] . The OASIS security officer may be the same person as the OATI webCARES[™] security officer, or the company may designate another person. The following steps are required to register as a user on the OATI OASIS Node.

1. Register with OATI webCARES[™] by following the instructions in the OATI webCARES[™] registration document.
2. Register your company with OATI by completing the OATI webOASIS[™] Company Registration Form. Email the form to support@oati.net
3. Register your users with OATI by completing the OATI webOASIS[™] User Registration Form. Email the form to support@oati.net.
4. The OATI Support staff will process the requests during business hours (M-F 8:00 AM – 5:00 PM CT).
