

Public Service Company of Colorado

Notice of Customer Voluntary Written Consent In Compliance with 18 C.F.R Part 358.7(c)

A non-affiliated transmission customer may voluntarily consent, in writing, to allow Public Service Company of Colorado (“PSC” or the “Transmission Provider”) to share the non-affiliated customer’s information with a Marketing or Energy Affiliate of Transmission Provider. If a non-affiliated customer authorizes the Transmission Provider to share its information with a Marketing or Energy Affiliate, the Transmission Provider must post notice on the OASIS or Internet website of that consent along with a statement that it did not provide any preferences, either operational or rate-related, in exchange for that voluntary consent.

Customer	Description
